QUERIES OF MEETINGS ON MINISTRY AND OVERSIGHT.

The four introductory Queries are to be read and weightily considered but not answered.

The other three are to be answered in writing to the Quarterly Meeting on Ministry and Oversight, and, in the Spring, to the Yearly Meeting on Ministry and Oversight.

INTRODUCTORY QUERIES.

1. Are you engaged to watch unto prayer that you may yourselves be preserved in humble dependence upon Christ, and in an earnest, religious exercise for the conversion of sinners, and for the edifying of the body in the faith and love of the Gospel?

2. Are you concerned faithfully to occupy the spiritual gifts entrusted to you, to the honor of God?

3. Are your lives and conversation clean and blameless?

4. Are your Ministers in the exercise of their gifts careful to wait for Divine ability, and are they thereby preserved from being burdensome?

QUERIES TO BE ANSWERED.

1. Are you diligent in attending your Meetings for worship and discipline, and careful to promote the attendance of your families?

2. Are you in unity one with another, and with the Meetings to which you belong, harmoniously laboring together in gathering unto Christ?

3. Are you engaged frequently in searching the Holy Scriptures, prayerfully seeking a right understanding of their contents under the enlightening influence of the Holy Spirit; and are you careful not to misquote or misapply them?

The following advice should be read after the reading and consideration of the Queries and Answers.

It is especially recommended that Ministers and Elders watch over one another for good, that they help those that are young in the Ministry, discouraging forward spirits that run into words without life and power, advising against affectation of tones and gestures, and everything that would hurt their service; yet encouraging the humble, careful traveller, speaking a word in season to them that are weary. And let all dwell in Him who gives ability to labor sucessfully in the Church of Christ, adorning the doctrine they deliver to others, being examples to the believers in word, in conversation, in charity, in spirit, in faith and in purity.

MEETINGS ON MINISTRY AND OVERSIGHT.

The Meetings which have been known as Meetings of Ministers and Elders are henceforth to be constituted as hereafter mentioned under the designation of "Meetings on Ministry and Oversight." Recorded Ministers and appointed Elders are members of such Meetings.

There should also be appointed in each Monthly Meeting, other suitable Friends as members of these Meetings, who may be considered likely to prove helpful and to be themselves helped by association therewith. It being important that these Meetings should consist, as far as practicable, of individuals of varied ages, gifts, and qualifications, care should be taken in making appointments in connection therewith, not to limit the selection to Friends in later life; those being appointed who, whether older or younger, give evidence of love to Christ and of attachment to the principles we profess. The names of these are to be brought forward as in the case of the appointment of Elders, and the list shall be revised at least once in two years. They shall be in all respects members of the Meetings on Ministry and Oversight, but they are not to be considered as thereby having liberty to travel as Ministers. This appointment does not prevent them from being recognized as Ministers or Elders, if at any time their gifts may seem to warrant such proceeding.

DUTIES OF MEETINGS ON MINISTRY AND OVERSIGHT.

It is recommended that the following paragraphs be read at least once a year in each Preparative and Quarterly Meeting on Ministry and Oversight:—

The subjects specified in the following paragraphs are especially commended to the care of Meetings on Ministry and Oversight; with any others which belong to the teaching and shepherding of the flock, viz:—

The religious condition of the particular congregations within their limits, and whether the Meetings for worship are held to edification and to the honor of God.

The counsel, encouragement and help of those engaged in the work of the Ministry.

The making of arrangements for attending, from time to time, the particular Meetings within their limits, especially those in which little or no ministry is exercised.

The visiting of the infirm, the sick and the afflicted. The spiritual care of the children and young people who attend our Meetings, and the promotion of their religious and scriptural instruction.

The propagation of the Gospel as way may open.

3. Are you engaged frequently in searching the Holy Scriptures, prayerfully seeking a right understanding of their contents under the enlightening influence of the Holy Spirit; and are you careful not to misquote or misapply them?

The following advice should be read after the reading and consideration of the Queries and Answers.

It is especially recommended that Ministers and Elders watch over one another for good, that they help those that are young in the Ministry, discouraging forward spirits that run into words without life and power, advising against affectation of tones and gestures, and everything that would hurt their service; yet encouraging the humble, careful traveller, speaking a word in season to them that are weary. And let all dwell in Him who gives ability to labor sucessfully in the Church of Christ, adorning the doctrine they deliver to others, being examples to the believers in word, in conversation, in charity, in spirit, in faith and in purity.

For sound business training in Book-keeping, Arithmetic, Business Law, Correspondence, Penmanship, Shorthand and Typewriting, come to Hinman's. It is The Business School of the city, whose teachers have all had actual experience in business, and teach what they know from practice is business. The instruction will be personal and as private as you wish. The evening sessions are Mondays, Wednesdays and Fridays, One study or all, tuition $5 monthly, or $12 for three months.

Hinman's is the Pioneer High Grade College of Worcester. Established 11 years. Has trained 2,500 young men and women who are successful in business. Its rooms are surrounded on three sides by 20 windows. The main school-room is 130 feet long. The furnishings are rich and abundant, with ventilation, heat and light, perfect. A cordial invitation is extended to the public to call and inspect the College and meet the Principal who is interested in the improvement and advancement of all young men and women.

All Who HAVE BECOME Fine Penmen IN WORCESTER WERE TRAINED AT Hinman's

For more than thirty years Mr. Hinman has been widely known as a SUPERIOR TEACHER of Penmanship. If there is penmanship in a student he can bring it out. If bad habits of writing are formed he will detect and overcome them. The elegant penman secures positions easily and commands good salaries. There is no penman in New England who would claim that in skill in every line of penmanship or in success in making fine penmen, that he ranks with Mr. Hinman. If you wish to master elegant penmanship you will find the best place at Hinman's.

The easiest Shorthand to learn, the easiest to master, the easiest to read, the easiest to remember, the best for all uses, can be mastered in three months at Hinman's College. This will include the free use of type-writers and complete preparation for business office work. In the slowest cases it may take five months. Lessons may be taken at the College from 9 till 3 or evenings, or by mail, suited to home practice. For full particulars call at the College, 44 Front Street, or write

TO PARENTS. Do you want your son or daughter to gain a fine handwriting? If you do, I will tell you how they can do it. In order to establish correct habits of writing they need a course of writing lessons under a professional penman, who is a special teacher of writing. They ought also to have correct home practice in addition to the short time they write in the public schools.

For thirty years I have been a professional teacher of penmanship, and am known to thousands as the only expert penman in the city. I propose to give my time and services to your sons and daughters through a course of six writing lessons at

Hinman's College

44 Front Street, Worcester, Mass.

I have facilities for classes of 200, but shall grade pupils according to ages for different hours. In order that pupils may follow these class lessons with home practice, I have had engraved in elegant penmanship over 200 copies which, together with lessons in writing, are printed upon large cards. These Home Writing Lessons will teach any one how to sit correctly, hold the pen properly and use the correct movements to write gracefully. The six class lessons will not only produce a marked improvement in each pupil's writing, but also explain clearly how to continue practice with the home lessons.

I shall give my services and use of rooms free to your sons and daughters during these six daily writing lessons, but to COVER EXPENSES of advertising and the cost of writing materials used, also the large package of Home Lessons which will be presented to each boy and girl, fifty cents will be collected from each pupil at the opening lesson. This is in no sense a money making scheme, but a plan to give every boy and girl in Worcester the right start in correct habits of writing, and also provide home lessons which, if followed, will lead to a fine handwriting.

I will Begin this Course of Six *Writing Lessons* **Monday and Tuesday Mornings, July 25 & 26.**

Boys and girls 15 years of age will come to Hinman's College to begin, at 9 o'clock; those 16 years of age will come at 10, and those 17 and over, will come at 11 o'clock.

REPORT

OF THE

PROVIDENCE

BOARDING SCHOOL COMMITTEE.

SIXTH MONTH, 1885.

To the Yearly Meeting:

The Committee in charge of the Boarding School present their Sixty-sixth Annual Report.

Although from a combination of circumstances, the whole number of scholars in attendance, especially in the latter part of the year, has been less than in some previous years, and of them a greater proportion than usual has been of the younger class, yet we feel that the character of the School has been maintained, and that good progress has been made.

An earnest religious feeling continues to be manifested in the boys' and girls' prayer meetings. In the former, a very satisfactory change is evidenced both by the testimony of the lip and of the life.

The health of the school has been remarkably good throughout the year. The average number of boarding pupils for the year has been 88 boys and 85 girls.

The following report from the auditors presents the financial statement for the year ending Sixth Month 24th, 1884.

At the meeting of the Committee in Eighth Month the following minute was made:—"The question of admitting day scholars to the School having been introduced, the subject was freely discussed, and resulted in authorizing the Principal to admit such students as, in his discretion, he may judge suitable."

During the year 14 boys and 9 girls have been admitted as day scholars, and, as far as we have learned, the privilege has been appreciated, with good results to those who have been admitted and to the School.

By reference to the new catalogue, it will be seen that a change of the time of opening the School in Ninth Month, from the first Fourth-day to the second Fourth-day in the month has been established by direction of the Committee.

In Second Month the Committee on Sale of Land reported that they had made sale of a house and lot of land to the occupant, for whom it was built, at a satisfactory price; the Committee was directed to place the net proceeds of the sale in the hands of the Treasurer of the School Fund, to be held by him, subject to the order of the Building Committee, which Committee is authorized to build additional houses, whenever in their discretion it is expedient to do so.

In Eighth Month we were informed by our Principal that he had received from an esteemed friend of the School the sum of $500, with which to secure a bust of Elizabeth Fry, of the same quality as that of John Bright, and that further sums would come later to complete the work.

At our meeting Third Month 3d, we were further informed that a pedestal of beautiful Tennessee marble, upon which to place the bust, had already arrived. It was confidently expected that the whole would have been complete by this time, the pedestal and bust occupying the corner of Alumni Hall opposite that of John Bright; but although, as we understand, finished, the bust has been detained in London, and is not expected to reach us until some time in Eighth Month next. By the time of the opening of the School in Ninth Month it will undoubtedly be arranged, and the unveiling made an occasion of much interest to all concerned.

In fulfilment of the intimation in last year's report, the School has, by a munificent gift from an honored member of the Committee, been made the recipient of an almost full length portrait of our beloved friend, John G. Whittier; at our meeting in the Eleventh Month the following minute, relating thereto, was entered upon our records:

"The great historic event referred to in the communication from the Principal, that of placing in Alumni Hall, by Charles F. Coffin, an almost full length portrait of John G. Whittier, was one of much interest and gratification, as was evinced by the large gathering convened in the Hall in the forenoon of the day of its presentation (Tenth Month 24th) to listen to the fitting and eloquent address of Thomas Chase, LL.D., President of Haverford College, and again in the afternoon to hear the address of Augustine Jones, A.M., Principal of the School, on its reception, and also to the remarks of many of the friends of the Poet, and of the School; and further, to hear read many letters from friends who were unable to attend.

We cordially tender to our friend and associate Charles F. Coffin, our high appreciation of, and our sincere thanks for, his rich gift to the School of this admirable portrait of our universally beloved and honored friend."

It hangs in Alumni Hall, between the busts of John Bright and of Elizabeth Fry (as proposed), where, in the words of a distinguished son of Massachusetts (in his grateful acknowledgement of the kind invitation to be present, but regretting his inability to meet with the other invited guests on the interesting occasion), "it will have a companionship as enviable as it will be appropriate. Eloquence, poetry and philanthropy will form an inspiring group for your scholars to have before their eyes, and may lead them to emulate what they admire."

We propose that the rates for admission to the School the coming year be the same as for the last year, viz:

For members of our Yearly Meeting	$150 00
For members of other Yearly Meetings, or when one or both parents are members of this Yearly Meeting	250 00
For all others who may be admitted	300 00

One-half payable at the commencement of the year, and one-half at the opening after recess.

An additional charge to be made, for one year's instruction in Greek, Latin, French, or German, ten dollars; for one year's instruction in Pencil Drawing, fifteen dollars: for one year's instruction in Mechanical and Crayon Drawing and Painting, thirty dollars.

With hearts overflowing with gratitude to our Father in Heaven for the many mercies vouchsafed, we again commend the Institution, with all its interests, to His paternal regard, and to your fostering care.

Signed on behalf and by direction of the Committee.
